## WELCOME TO PYCON SLOVAKIA 2018

### PHOTOGRAPHY POLICY

Plenty of people love to take pictures, share them or be in them. However, be aware that not everyone wants to be photographed. If you see someone wearing a **red badge lanyards**, this person does not wish to be photographed. Please do not ask or persuade them. If you find someone with such lanyard in one of your photos, it would be nice if you do not share it and remove it from your collection. We assume that a person not wearing a red badge lanyard does not mind to be photographed.

### DON'T SUPPRESS YOUR CURIOSITY

Thanks to sli.do we all have a unique possibility to satisfy our curiosity. Anyone in the audience can ask questions via a web application and vote for the best ones.

- Use our unique code #PyConSK to join the discussion and ask questions
- Ask a question, anonymously or using your name
- You can vote up the questions you like the most
- The best questions will be read aloud so the speaker can answer

Visit <https://sli.do.com> and use our unique code #PyConSK.

### PYCONSK AT SOCIAL MEDIA

Official hash tag for social media is #PyConSK

If you want to share your experience from the conference do not forget to use the official hash tag!
