

PYCON '18 SLOVAKIA

BRATISLAVA, 9-11 MARCH

WELCOME TO PYCON SLOVAKIA 2018

PHOTOGRAPHY POLICY

Plenty of people love to take pictures, share them or be in them. However, be aware that not everyone wants to be photographed. If you see someone wearing a **red badge lanyards**, this person does not wish to be photographed. Please do not ask or persuade them. If you find someone with such lanyard in one of your photos, it would be nice if you do not share it and remove it from your collection. We assume that a person not wearing a red badge lanyard does not mind to be photographed.
